STATE OF DELAWARE
DEPARTMENT OF COMMUNITY AFFAIRS
DELAWARE COUNCIL ON LIBRARIES
P.O. Box 639
DOVER, DELAWARE 19903
TELEPHONE: (302) 736-4748

The Honorable Frances M. West
Secretary
Department of Community Affairs
156 South State Street
Dover, DE 19901

Dear Secretary West:

The 1986-1987 year of the State Library Advisory Council was productive and cooperative.

Four Standing Committees were created: Long Range Planning, Standards, Continuing Education and Political/Public Relations. The Standards Committee revised physical facilities standards for public libraries and prepared a draft of criteria proposed for judging LSCA Title II applications in future. The Continuing Education Committee met with the Delaware Library Association Continuing Education Committee to prepare a survey which was sent to all public, school and academic libraries soliciting topics of interest for future continuing education programs. The Long Range Planning Committee drafted the annual revision of the Division's Long Range Program. The Delaware Library Association was invited to appoint a representative to the Council's Standing Committees.

The Ad-Hoc Committee on Education surveyed the school, public and academic libraries in the State for the Education Advisor to the Governor in order to determine library usage by school students after school hours, and to define the interrelationship of school/public/academic libraries in the State.

There was a joint meeting of Council representatives, a Delaware Library Association Ad-Hoc Committee and concerned citizens to identify concerns of the groups involved. There was a meeting of Council representatives with a Delaware Library Association Ad-Hoc Committee, attended by State Librarian Louise Wyche and Cabinet Secretary Frances West, to discuss matters of mutual concern.

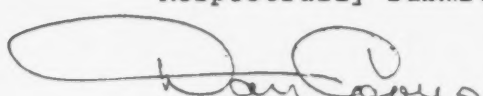
In accordance with the Library Services and Construction Act and the Delaware Code, the State Library Advisory Council recommended funding of the following projects: (1) reimbursement

of net-lender libraries for interlibrary loan transactions for the three County Networks, KLN, LINCS and SHORE; (2) retrospective conversion projects by the Corbit-Calloway Memorial Library, the New Castle Public Library, the Seaford District Library and the library of Delaware Technical and Community College - Georgetown; (3) support for the Sussex County delivery system among the county's libraries; (4) the union catalog on microfiche which represents more than 600,000 titles in 52 libraries Statewide, which was distributed to more than 115 libraries Statewide.

An addition to the Dover Public Library was completed, and dedication of it held February 1, 1987. This construction was supported by $148,936 from LSCA Title II funds, and added approximately 40% to its floor space.

The Long Range Planning Committee began work on a proposal for a needs assessment and long-range program/plan for the State's libraries, to be carried out and funded in the next year.

Respectfully submitted,



Dan Coons, Chair
State Library Advisory Council

DELAWARE DIVISION OF LIBRARIES

ANNUAL REPORT

July 1, 1986 - June 30, 1987

The objectives of the Division of Libraries include improving library services (1) in and through the State's public libraries, (2) for persons without access to adequate public library service, (3) for blind and physically handicapped readers, (4) through interlibrary cooperation among all types of libraries in the State, and (5) to equitably distribute available grant in aid money according to clearly defined rules and regulations.

The Division's programs directly supportive of public and other libraries in the State included: 52,764 items delivered among libraries by the delivery service; 1,715 out-of-state interlibrary loan transactions; 1,826 16mm films circulated; 5,037 children registered for the summer reading program, of whom 2,997 received certificates; 36,933 books distributed by the Book Bank program, with a retail value of $460,465. to more than 100 different institutions, centers, and other eligible organizations.

Operations of the Division's Library for the Blind and Physically Handicapped were changed over from a labor-intensive manual system to a computerized system during the year. This was made possible by a special appropriation by the General Assembly in the amount of $29,500 in FY'86 and additional Appropriated Special Funds from the Department of Community Affairs in the amount of $2,500.

State standards funds in the amount of $345,600 were awarded to the 27 public libraries and two county bookmobiles to assist them in meeting or coming up to state Standards in such ways as number of hours open, number of books per capita served, collection development, upgrading of staff, etc.

Appropriated Special Funds from the Department provided for a $4,092 contract with the Sheltered Workshop at the Delaware State Hospital for the Book Bank program, providing additional help to its Coordinator and also giving paid employment to a number of patients.

General Funds provided for the following contracts:

(1) DTCC-Georgetown library to house and circulate the DDL's film collection to all libraries in Kent and Sussex Counties, $12,000;

(2) Delaware Association for the Blind, to provide local magazines and newspapers recorded on cassette for LBPH readers, $2,500;

(3) Philadelphia Regional LBPH, for Braille service to Delaware Braille readers, $1,000.

With $148,936 support from LSCA Title II funds, the Dover Public Library completed construction of an addition to its building which added about 40% to its floor space. Dedication of the enlarged building was held February 1, 1987.

Division staff and the State Library Advisory Council's Library Standards Committee revised and updated the Delaware Public Library Standards during the year, and these were reviewed by the State Library Advisory Committee at its meeting of September 4 and October 21, 1986.
